THE UN-CONVENTIONAL VOYAGE

ATTENTION STARFLEET COMMAND

You are now in possession of your official Mission Orders for our 2026 voyage and it's time to prepare for our incredible adventure together!

Even if you have previously sailed on The Un-Conventional Voyage, brace yourself, as this interstellar journey will be like no other as we celebrate *Star Trek's* 60th anniversary! Surrounded by a community of friends and fellow *Star Trek* lovers, from the moment you step onboard, your senses will be immersed with *Star Trek* moments you can see, hear, touch, and taste!

Get ready to dive into a week jam packed with one-of-a-kind entertainment, including script readings, musical performances, comedy and improv sets, game shows, yoga sessions, karaoke battles, whiskey tastings, trivia challenges, and so much more—**It's Time to Engage!**

ONCE ONBOARD

Once you board our starship at sea, feel free to explore, hang by the pool or grab a beverage of your choice! Your cabin will be available to you around 2:00 PM ET. Inside your cabin, you will find your Royal Caribbean SeaPass Card. The SeaPass Card serves many purposes including your cabin key, charge card for onboard purchases, entry into the Lyric Theatre, and boarding pass for entering and exiting the ship in various ports of call. It is important to keep your SeaPass Card with you throughout the week.

Each night the Lyric Theatre takes the spotlight where you can catch some of the incredible Trek-centric shows and performances. Due to theatre capacity, some shows are split into two viewings, based on SeaPass Card color. Having two show times each night allows all guests the opportunity to see every performance. Guests with **BLUE SeaPass Cards** will attend the 1st Main Show (starting around 6:30 PM) and guests with **RED SeaPass Cards** will attend the 2nd Main Show (starting around 9:00 PM). You will be required to adhere to your Main Show time and will NOT be allowed into other shows. SeaPass Cards will be checked prior to entering the Lyric Theatre. All other shows and performances are open seating, unless otherwise indicated.

THEME NIGHTS

Each night of the cruise we celebrate a different dimension of the *Star Trek* universe, and when it comes to theme night costumes, our guests knock it out of the park! Whether you're looking to go all out or just observe, you won't want to miss these theme night parties!

For more information about Costume conduct, weapons/props, and safety, please refer to the FAQs section at [StarTrekTheCruise.com/FAQs](https://www.StarTrekTheCruise.com/FAQs).

REP YOUR STAR TREK NIGHT 1 | 2.20

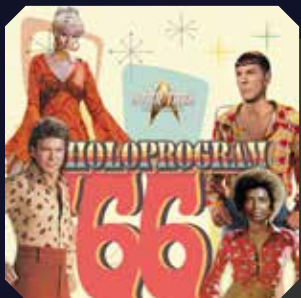

From the Original Series' scants to the sleek uniforms of the modern series, choose from a wide range of attire that showcases your love of the 60 years of *Star Trek*. Whether you take a laid-back approach and go with your favorite series T-shirt or cosplay a beloved character, this night gives you a chance to represent your favorite character or series!

HEROES & VILLAINS NIGHT 2 | 2.21

On Heroes & Villains Night, *Star Trek: The Cruise* dives headfirst into an intergalactic clash of Good vs. Evil. Are you a bold defender of justice like Captain Burnham, Jean-Luc Picard, or Colonel Kira? Or do you lean into the chaos like the Borg Queen, Lore, or Quark on a bad day?

This is also your chance to expand the multiverse—mix and match fandoms, forge new alliances. Whether you're a Mandalorian with a Starfleet combadge or a Time Lord with a tricorder, tonight, anything goes. Heroes, villains, and those who blur the lines—gear up and join the cosmic celebration!

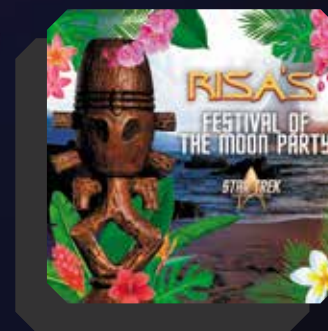

HOLOPROGRAM '66 NIGHT 3 | 2.22

Computer, load HoloProgram '66! Tonight, we honor the original voyages of *Star Trek* with a groovy 60s-style party. Represent Kirk and the rest of the *U.S.S. Enterprise* crew or dress as a Ferengi in bold prints, a Klingon in sharp styles, or a Betazoid with swinging accessories, it's a retro celebration of where it all began. Step into the holodeck and party like it's Stardate 6609.08!

RISA'S FESTIVAL OF THE MOON PARTY NIGHT 4 | 2.23

Tonight, we return to the legendary pleasure planet Risa—where the suns are warm, the drinks are cold, and inhibitions are strictly optional. After your day of tropical shore leave, slip into your breeziest island gear and beam into an evening of smooth beats, sultry vibes, and interstellar escapism.

Seeking Jamaharon? Well, flashing that Horga'hn (authentic or not) is a good start—but charm, charisma, and a dash of boldness go a long way.

As always on Risa... no questions, no judgments, and absolutely no Starfleet reports.

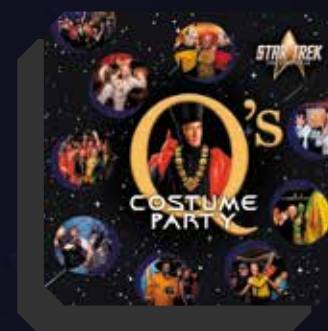

CAPTAINS GALA NIGHT 5 | 2.24

Tonight, we boldly celebrate in style! Dress to impress across quadrants in a timeless evening inspired by the heart of the Final Frontier. Dance the night away with fellow explorers, officers, and ambassadors for an evening of interstellar elegance and a plethora of Romulan Ale. It's time to pay homage to the leadership that commands the spirit of adventure.

Q'S COSTUME CONTEST NIGHT 6 | 2.25

An annual extravaganza on *Star Trek: The Cruise*, this legendary event showcases the incredibly elaborate and outrageous costumes brought to life from the imaginations of *Star Trek* cruisers. PREPARING FOR YOUR VOYAGE

LOCATE YOUR PASSPORT!

Think of your passport as your Starfleet ID. Without it, you can't beam down to new planets, explore the far reaches of Earth's galaxy, or board the ship on Embarkation Day! Locate your Passport NOW and make sure the expiration date is not before August 27, 2026, that's 6 months AFTER our sailing. If you are a US Citizen and do not have a passport, you may travel with an original birth certificate and valid state ID. PLEASE NOTE—the original birth certificate must include a raised seal and the name on the state ID must match the birth certificate. Non-US Citizens should verify the required documentation by visiting the **Booked Guests** Portal on [StarTrekTheCruise.com](https://www.StarTrekTheCruise.com) for more information.

GETTING TO PORT CANAVERAL, FLORIDA

Boarding on February 20, 2026, typically begins around 11:00 AM ET. When you complete your Online Check-In (45 Days prior to the sailing), you will select a Terminal Arrival Time. To avoid delays and congestion, PLEASE DO NOT ARRIVE TO THE TERMINAL BEFORE YOUR SELECTED ARRIVAL TIME.

LEAVING FROM PORT CANAVERAL, FLORIDA

Once the ship arrives back to Port Canaveral, FL., on February 27, 2026, Customs and Border Patrol will perform an inspection. After the ship has been cleared, you will be allowed to disembark. Due to the time it takes to clear the ship, we recommend booking return flights after 12:00 PM ET on disembarkation day. Uber, Lyft, and taxi services are readily available and offer affordable transportation to nearby airports.

PURCHASE TRAVEL INSURANCE

Picture the *U.S.S. Enterprise* trapped in a time loop, colliding with another starship again and again, alarms blaring, systems failing, and the crew racing to fix the unthinkable. Travel insurance is your real-world deflector shield, protecting you from unexpected mishaps like medical emergencies, lost luggage, or delays, so your mission stays on course no matter what anomalies arise. Remember, your reservation payments are non-refundable. Though insurance may be purchased up to 48 hours prior to sailing, to secure the broadest coverage, insurance should be purchased as early as possible.

Once your online check-in is complete, you can print your "Set Sail Pass", which acts as your boarding pass for Embarkation Day. If you do not complete your online check-in prior to the sailing, you may face substantial delays inside the cruise terminal on embarkation day.

30 DAYS prior to the sailing (January 21, 2026), we will provide you with email instructions on how to print your Royal Caribbean Luggage Tags. These tags should be affixed to all pieces of your luggage the morning of embarkation.
